

ACCENT

MARGRETHE ODGAARD ON THE DESIGN "Accent Cushion is a fresh and unexpected take on the usually unnoticeable structure of woven canvas. Accent's print is a scaled canvas structure, which accentuates the plain weave by creating a vibrant monotone. In combination with the crispness of the cushion's cotton quality, the print makes the colors stand out, and transforms the ordinary into something extraordinary"

PRODUCTION PROCESS

Using transfer print techniques, the cushion's print is applied to the cotton fabric. Hereafter, the fabric is cut into correct sizes and sewn together.
