

Outline Chair

The Outline Sofa adds new perspectives to the classic Scandinavian design sofas of the 1960's, marrying the ideals of simplicity and function into one. With the design taking its name from its strong outline of a sofa, the Outline Series is clean and elegant on the outside with a deep seat and soft cushioning on its inside. The Outline Series has an expression that is at once elegant yet timeless, elevated by its lines referencing architectural shapes alongside its curved armrests, giving the design a distinct appearance across various sizes and variants.
