

Nerd Barstool

With seamless integration of the back and seat rendered in wood, the Nerd Chair is comfortable and aesthetically pleasing. With its unique yet simple Scandinavian look, the Nerd Chair won the Muuto Talent Award in 2011. The Bar Stool edition of the chair is a quirky yet sleek take on the conventional bar stool, destined to look grand at your bar, restaurant, hotel or kitchen. Lacquered ash or oak wood, felt pads. Wood is PU lacquered. Veneer is form-pressed into shape for the back and seat, and then glued together with the solid wood legs. Then lacquered.
