Bathroom Set 3

The storage modules are part of Montana Bathroom – a system tailored to create your dream bathroom. All Montana bathroom modules are made of a particularly solid quality designed for wet rooms. Montana bathroom modules are made of waterproof MDF, which can easily handle water and moisture. Of course, you must dry visible water of the module. The storage modules perfectly complement our [zink modules](#) and [mirrors](#), which are also part of the Montana Bathroom interior system.

Brand: **MONTANA**

Item type: Mirror
