

Metallico

The Metallico table is characterized by the lightness of top and legs, made of aluminum sheet, 12 mm thick. Available in rectangular and square versions, it can also be customized. Suitable for living and meeting rooms as well, it is available in black, white, “antico” red, “bruciato” brown, “porfido” grey and burnished brass finishing. The particular finishing, velvet like at the touch and aesthetically precious is obtained by a catalyzed painting, high thickness and by following stages of polishing and waxing by hand, giving its extraordinary material effect. It is available also in white or black finishing for outdoors.
