

Snooze

Snooze is a sound absorbing panel conceived to improve the acoustic quality and enhance comfort in office or public spaces. With a shape recalling the sound diffusers, it is composed by a core of thermoformed polyester fiber in variable densities and thicknesses with a central metal element that beside being a graphic sign allows an easy assembly and disassembly. The removable cover guarantees simple maintenance, great flexibility and customisation in colours and fabrics choice.

<i>Brand:</i>	Pedrali, Made in Italy
<i>Item type:</i>	Acoustic Panel
<i>Item Code:</i>	SNZ01P/TC366ST
<i>Designer:</i>	Marcello Zilliani
<i>Color:</i>	TC366-2402
<i>Dimension:</i>	63 x 63 x 18cm
