

ARABESCO

Arabesco is one of the most celebrated products of the Italian Design and it is born from a four-handed work in the laboratories of carpentry: "from Mollino sketch, the drawings were created in the 1:1 natural scale and then the model". It is a jewel of construction with a very unusual shape. There is nothing left of the little tables that we used to see in the Arabesco, the traditional legs and surfaces have disappeared.

- Brand:** **Zanotta, Made in Italy**
- Item type:** Small table
- Item code:** V0697/OAK
- Designer:** Gabriele Rosa
